

Fill in the gaps

The very brightest (1) of all		And I shiver
Has been extinguished		This black page in history is not colourfast
Smothered by those		Will stain the next
Who could not bear to face reality		All what remains is just a feint
Every beat of your (2) tore the (3) a	all	Of what was meant to be
apart		This black page in (9) is not colourfast
Made foundations quiver		Will stain the next
Every wave in the lake		And nothing seems in life in dreams
Caused the porcelain to break		Like what was meant to be
And I shiver		Every beat of your heart tore the lies all apart
The leftover tallow just doesn't contain		Made foundations quiver
All the right answers		Every wave in the lake
Under a sea of (4) lies a vast (5)	of	Caused the porcelain to break
wisdom		And I shiver
(As untouched snow turns red)		I shiver
(Innocence dies)		
Every (6) of your heart (7) the lies a	all	
apart		
Made foundations quiver		
Every (8) in the lake		
Caused the porcelain to break
