

Fill in the gaps

Feelings you see	So (12) are we doing now?
Are so hard to believe	Feeling (13) I cannot be contained
All the (1) I have in my heart	l'm so (14) and (15) now
Devils I make and the (2) can relate	Where do I run?
All the solace inside tears me up	Where do I hide?
Take me away!	Give me a reason to end my life
Set me on fire!	Where do I run?
There's no other way!	Where do I hide?
Give me a reason 'cause I got nothing to gain	Give me a reason to get out alive
So what are we (3) now?	Give me a reason 'cause I got nothing to gain
Feeling (4) I cannot be contained	So what are we (16) now?
I'm so lost and (5) now	Feeling complacent I cannot be contained
We've (6) deceived	I'm so (17) and lonely now
It's so easy for me	Give me a (18) 'cause I got
'Cause the loathing I've had (7) the start	(19) to gain
Evil disease all the hatred it breathes	So what am I (20) now?
As I'm down on my (8) apart	(What am I doing now?)
Take me away!	Feeling complacent I cannot be contained
Set me on fire!	I'm so (21) and (22) now
There's no other way!	
Give me a (10) 'cause I got	
(11) to gain
