

Fill in the gaps

_ to gain

Feelings you see	So what are we doing now?
Are so hard to believe	Feeling complacent I cannot be contained
All the chaos I (1) in my heart	I'm so lost and lonely now
Devils I make and the love can relate	Where do I run?
All the solace inside tears me up	Where do I hide?
Take me away!	Give me a (6) to end my life
Set me on fire!	Where do I run?
There's no (2) way!	Where do I hide?
Give me a (3) 'cause I got nothing to gain	Give me a (7) to get out alive
So what are we doing now?	Give me a reason 'cause I got (8)
Feeling complacent I cannot be contained	So what are we (9) now?
I'm so lost and (4) now	Feeling complacent I cannot be contained
We've been deceived	I'm so lost and lonely now
It's so easy for me	Give me a reason 'cause I got nothing to gain
'Cause the loathing I've had from the start	So what am I doing now?
Evil disease all the hatred it breathes	(What am I doing now?)
As I'm (5) on my knees torn apart	Feeling complacent I cannot be contained
Take me away!	I'm so lost and lonely now
Set me on fire!	
There's no other way!	
Give me a reason 'cause I got nothing to gain
