

## Fill in the gaps

## Have Yourself A Merry Little Christmas by Mary J. Blige

Have yourself	Star upon the (7) bough
A merry little Christmas	And have yourself
Let your heart be light	A (8) little Christmas now
From now on	Here we are
Our troubles will be out	As in olden days
Of sight	Happy (9) days of yore
(Yeah)	Faithful, faithful friends who are dear to us
Have (1) a merry (2)	They gather near to us
Christmas	Once more
Make the yuletide gay	And through the years
From now on	We all will be together
Our troubles (3) be miles away	If the fates, if the (10) allow
And here we are	Hang the shining star upon the highest
As in olden days	Bough
Happy golden days of yore	And have yourself
Faithful, faithful friends	A merry little Christmas
Who are dear to us	Now
Gather (4) to us	Don't you wait, no
Once more	Have it now
Through the years	
We all (5) be together	
If the (6) allow	
Hang your shining
