## This Christmas Life by Shane Dawson

If life was like a Christmas movie		I'm hoping for a happy ending	
I wouldn't have a care or worry		So let's stop pretending (5)	life could b
And (1)(2)	always	There'll be dancing and singing	
turn out fine		This Christmas life	
Making angels in the snow		And the bells will be ringing	
Kissing under mistletoe		This Christmas life	
And everyone would always have a smile		No more heartaches or heartbreaks	
But baby, life isn't that easy		This (6)	life
Sometimes it gets crazy		(Oh) I wish it could be mine	
I'm falling on my knees		So I close my eyes and	
Yeah		Create a wonderland where	
I'm hoping for a happy ending		Anything's possible there	
So let's stop pretending what life could be		I'm just dreaming of (7)	it would be
There'll be dancing and singing		There'll be dancing and singing	
This Christmas life		This Christmas life	
And the bells will be ringing		And the bells will be ringing	
This Christmas life		This Christmas life	
No more heartaches or heartbreaks		No (8) heartaches or heartbreaks	
This Christmas life		This Christmas life	
(Oh) I wish it could be mine		(Oh) I wish it could be mine	
If I lived up on the north pole		There'll be dancing and singing	
I would stare outside my window		This (9)	life
And look around at all the shining lights		And the bells will be ringing	
Christmas carols at the front door		This Christmas life	
Family at the (3) table		No more heartaches or heartbreaks	
And every night (4) always end just righ	t	This Christmas life	
But baby, life isn't that easy		(Oh) I wish it could be mine	
Sometimes it gets crazy			
I'm falling on my knees
