

Fill in the gaps

	And (12) invade
Be careful little eyes what you see	Choices are made
It's the second glance that (1) your hands	A (13) will be paid
As (2) (3) the strings	When you (14) yourself away
Be careful little feet where you go	People never crumble in a day
For it's the little feet behind you	The journey (15) (16) (17) to
That are (4) to follow	your hands
It's a (5) fade	Is (18) than you're thinking
When you give yourself away	Be careful if you think you stand
It's a slow fade	You (19) might be sinking
When black and white are turned to gray	It's a slow fade
And thoughts invade, choices are made	When you give yourself away
A price will be paid	It's a slow fade
When you give (6) away	When black and white are (20) to gray
People never crumble in a day	And (21) invade
It's a (7) fade	Choices are made
It's a slow fade	A price will be paid
Be careful little (8) what you hear	When you give yourself away
When flattering (9) to compromises	People never crumble in a day
The end is always near	Daddies never (22) in a day
Be (10) little lips what you say	Families never crumble in a day
For empty words and promises	(Oh) Be careful little eyes what you see
Leave broken hearts astray	(Oh) Be careful little eyes what you see
It's a slow fade	For the Father up above is (23) down in
When you give yourself away	love
It's a slow fade	(Oh) Be careful little eyes (24) you see
When black and (11) are turned to gray
