Searching for the hope

Fill in the gaps

Does Anybody Hear Her by Casting Crowns

She is running	That's tucked away in you and me
A hundred miles an (1) in the wrong direction	Does anybody hear her?
She is trying	Can (8) see?
But the canyon's ever widening	If judgment looms under every steeple
In the depths of her cold heart	If lofty glances from lofty people
So she (2) out on another misadventure	Can't see past her scarlet letter
(3) to find	And we've never even met her
She's another two years older	If judgment looms under every steeple
And she's three more steps behind	If lofty glances from lofty people
Does anybody hear her?	Can't see past her scarlet letter
Can anybody see?	And we've never even met her
Or does anybody even know she's going down today	We've never even met her
Under the shadow of our steeple	Does anybody hear her?
With all the lost and lonely people	Does anybody see?
Searching for the hope	Or does anybody even know she's going down today
That's tucked away in you and me	Under the shadow of our steeple
Does anybody hear her?	With all the lost and lonely people
Can (4) see?	Searching for the hope
She is yearning	That's tucked away in you and me
For shelter and affection	Does anybody hear her?
That she never (5) at home	Does (9) see?
She is searching	Does anybody even know she's (10) down today
For a hero to ride in	Under the shadow of our steeple
To ride in and save the day	With all the lost and lonely people
And in walks her (6) charming	Searching for the hope
And he knows just what to say	That's tucked away in you and me
Momentary lapse of reason	Does anybody hear her?
And she gives herself away	Does anybody see?
Does anybody hear her?	He is running
Can anybody see?	A hundred miles an hour in the wrong direction
Or does anybody even know she's going down today	
Under the shadow of our steeple	
With all the lost and (7) people
