Searching for the hope

## Fill in the gaps

### Does Anybody Hear Her by Casting Crowns

She is running	That's tucked away in you and me
A hundred miles an hour in the wrong direction	Does anybody hear her?
She is trying	Can anybody see?
But the canyon's ever widening	If judgment (10) under every steeple
In the depths of her cold heart	If lofty glances from lofty people
So she sets out on another misadventure just to find	Can't see (11) her scarlet letter
She's another two years older	And we've never even met her
And she's three more steps behind	If judgment looms (12) every steeple
Does anybody hear her?	If lofty glances from (13) people
Can (1) see?	Can't see (14) her scarlet letter
Or does (2) (3) (4)	And we've (15) even met her
she's going down today	We've never (16) met her
Under the shadow of our steeple	Does anybody hear her?
With all the lost and lonely people	Does (17) see?
Searching for the hope	Or does (18) even know she's going
That's tucked away in you and me	(19) today
Does anybody hear her?	Under the (20) of our steeple
Can anybody see?	With all the lost and lonely people
She is yearning	Searching for the hope
For shelter and affection	That's (21) away in you and me
That she never found at home	Does anybody (22) her?
She is searching	Does anybody see?
For a hero to (5) in	Does anybody even (23) she's going
To ride in and save the day	(24) today
And in walks her prince charming	Under the shadow of our steeple
And he knows just (6) to say	With all the (25) and lonely people
Momentary (7) of reason	Searching for the hope
And she gives (8) away	That's tucked away in you and me
Does anybody (9) her?	Does anybody (26) her?
Can anybody see?	Does anybody see?
Or does anybody even know she's going down today	He is running
Under the shadow of our steeple	A hundred miles an hour in the wrong direction
With all the lost and lonely people
