With all the lost and lonely people

Searching for the hope

Fill in the gaps

Does Anybody Hear Her by Casting Crowns

She is running	That's tucked away in you and me
A hundred miles an hour in the wrong direction	Does anybody hear her?
She is trying	Can anybody see?
But the canyon's ever widening	If judgment looms under every steeple
In the (1) of her cold heart	If lofty glances (6) lofty people
So she sets out on another misadventure just to find	Can't see past her scarlet letter
She's another two years older	And we've never even met her
And she's three more steps behind	If judgment (7) under every steeple
Does anybody hear her?	If (8) glances from lofty people
Can anybody see?	Can't see past her scarlet letter
Or does anybody even know she's going (2) today	And we've never even met her
Under the shadow of our steeple	We've never even met her
With all the lost and lonely people	Does anybody hear her?
Searching for the hope	Does anybody see?
That's tucked away in you and me	Or does anybody even know she's going down today
Does anybody hear her?	Under the shadow of our steeple
Can anybody see?	With all the lost and (9) people
She is yearning	Searching for the hope
For shelter and affection	That's tucked away in you and me
That she never found at home	Does anybody hear her?
She is searching	Does anybody see?
For a hero to ride in	Does anybody even know she's going down today
To ride in and save the day	Under the shadow of our steeple
And in walks her prince charming	With all the lost and lonely people
And he knows just what to say	Searching for the hope
Momentary lapse of reason	That's tucked away in you and me
And she gives herself away	Does (10) hear her?
Does anybody hear her?	Does anybody see?
Can (3) see?	He is running
Or (4) anybody even know she's (5)	A hundred miles an hour in the wrong direction
down today
