

## Fill in the gaps

Manage me, I'm a mess	I'm over getting old
Turn a page, I'm a book half-unread	And maybe it's not my weekend
I want to be laughed at, laughed with (1) because	But it's gonna be my year
I want to feel weightless	I'm so sick of watching (5) the
And that should be enough	(6) pass
But I'm stuck in this ****** rut	As I go nowhere
Waiting on a secondhand pick-me-up	And this is my reaction
And I'm over getting older	To everything I fear
If I could just find the time	'Cause I've (7) going crazy
Then I would never let another day go by	I don't want to waste another minute here
I'm (2) getting old	This could be all I've waited for
And maybe it's not my weekend	(I've waited, I've waited for)
But it's gonna be my year	And this could be everything
I'm so sick of watching while the minutes pass	I don't wanna dream anymore
As I go nowhere	Maybe it's not my weekend
And this is my reaction	But it's gonna be my year
To everything I fear	And I've been going crazy
'Cause I've been going crazy	I'm stuck in here
I don't want to waste another (3) here	And maybe it's not my weekend
Make (4) that I impress	But it's gonna be my year
That every word, by design, turns a head	I'm so sick of watching while the minutes pass
I wanna feel reckless	As I go nowhere
Wanna live it up just because	And (8) is my reaction
I wanna feel weightless	To (9) I fear
'Cause that would be enough	'Cause I've been going crazy
If I could just find the time	I don't want to waste (10) minute here
Then I would never let another day go by
