

The moon above you and the streets below

Fill in the gaps

Stay with me, baby stay with me	Hold my breath as you're (14) in
Tonight don't leave me alone	Taste (15) lips and feel (16) skin
Walk with me, come and walk (1) me	When the time comes
To the edge of all we've ever known	Baby don't run, (17) kiss me slowly
I can see you there with the city lights	Don't run away
Fourteenth floor, pale blue eyes	And it's hard to love again
I can breathe you in	When the only way it's been
Two shadows (2) by the	When the only love you know
(3) door	Just walked away
No, I could not want you (4) than I did right then	If it's something that you want
As our heads (5) in	Darling you don't have to run
Well, I'm not (6) what this is gonna be	You don't have to go
But with my eyes closed all I see	Just (18) with me, baby (19) with me
Is the skyline, through the window	Well, I'm not sure what this is gonna be
The moon above you and the streets below	But (20) my eyes closed all I see
Hold my breath as you're moving in	Is the skyline, through the window
Taste your lips and feel your skin	The moon above you and the (21) below
When the time comes	Hold my breath as you're moving in
Baby don't run, just (7) me slowly	Taste your lips and (22) your skin
Stay with me, baby stay (8) me	When the time comes
Tonight don't leave me alone	Baby don't run, just kiss me slowly
She shows me (9) she used to	I'm not sure where this is (23) go
know	But in this (24) all I know
Picture frames and (10) roads	Is the skyline, through the window
When the days were long and the world was small	The moon above you and the (25) below
She stood by as it (11) apart	Hold my breath as you're moving in
Separate rooms and broken hearts	Taste your lips and feel your skin
But I won't be the one to let you go	When the (26) comes, (27) don't run
(Oh oh)	Just (28) me slowly
I'm not sure what (12) is gonna be	
But with my eyes (13) all I see	
Is the skyline, through the window
