

Fill in the gaps

Stay with me, baby stay with me	
Tonight don't leave me alone	
Walk with me, come and walk (1) me	
To the edge of all we've ever known	
I can see you there with the city lights	
Fourteenth floor, pale blue eyes	
I can breathe you in	
Two shadows standing by the bedroom door	
No, I could not want you more than I did right then	
As our heads leaned in	
Well, I'm not sure (2) this is gonna be	
But with my eyes closed all I see	
Is the skyline, through the window	
The moon above you and the (3)	below
Hold my breath as you're moving in	
Taste your lips and feel your skin	
When the time comes	
Baby don't run, just kiss me slowly	
Stay with me, baby stay with me	
Tonight don't leave me alone	
She shows me everything she used to know	
Picture frames and country roads	
When the days were long and the world was small	
She (4) by as it fell apart	
Separate rooms and broken hearts	
But I won't be the one to let you go	
(Oh oh)	
I'm not sure what this is gonna be	
But with my eyes closed all I see	
Is the skyline, through the window	
The moon above you and the (5)	below

Hold my breath as you're moving in	
Taste your lips and feel your skin	
When the (6) comes	
Baby don't run, just kiss me slowly	
Don't run away	
And it's hard to love again	
When the only way it's been	
When the only love you know	
Just walked away	
If it's something that you want	
Darling you don't have to run	
You don't have to go	
Just stay with me, (7) stay with me	
Well, I'm not sure what this is gonna be	
But with my eyes closed all I see	
Is the skyline, through the window	
The moon above you and the streets below	
Hold my breath as you're moving in	
Taste your lips and feel your skin	
When the time comes	
Baby don't run, just kiss me slowly	
I'm not sure (8) this is gonna go	
But in (9) moment all I know	
Is the skyline, (10) the window	
The moon above you and the streets below	
Hold my breath as you're moving in	
Taste your lips and feel your skin	
When the time comes, baby don't run	
Just kiss me slowly
