Fighter by Christina Aguilera

Fighter by Christina Aguilera
After all you put me through
You'd think I'd despise you
But in the end I wanna thank you
'Cause you made that much stronger
Well I thought I (1) you
Thinking that you were true
Guess I, I couldn't trust called your bluff
Time is up, 'cause I've had enough
You were there by my side
Always down for the ride
But (2) joy ride just came down in flames
'Cause your greed sold me out in shame, mmm hmm
After all of the stealing and cheating
After all of the stealing and cheating You probably (3) that
You probably (3) that
You probably (3) that I hold resentment for you
You probably (3) that I hold resentment for you
You probably (3) that I hold resentment for you But uh uh, oh no, you're wrong
You probably (3) that I hold resentment for you But uh uh, oh no, you're wrong 'Cause if it wasn't for all
You probably (3) that I hold resentment for you But uh uh, oh no, you're wrong 'Cause if it wasn't for all That you tried to do
You probably (3) that I hold resentment for you But uh uh, oh no, you're wrong 'Cause if it wasn't for all That you tried to do I wouldn't know just how capable I am to pull through
You probably (3) that I hold resentment for you But uh uh, oh no, you're wrong 'Cause if it wasn't for all That you tried to do I wouldn't know just how capable I am to pull through
You probably (3) that I hold resentment for you But uh uh, oh no, you're wrong 'Cause if it wasn't for all That you tried to do I wouldn't know just how capable I am to pull through So I wanna say thank you
You probably (3) that I hold resentment for you But uh uh, oh no, you're wrong 'Cause if it wasn't for all That you tried to do I wouldn't know just how capable I am to pull through So I wanna say thank you 'Cause it

So thanks for making me a fighter

Made me learn a little bit faster				
Made my skin a little bit thicker				
Makes me that much smarter				
So thanks for making me a fighter				
Never saw it coming				
All of (4) backstabbing				
Just so, you could cash in on a good thing				
Before I'd realized your game				
I heard you're (5) 'round				
Playin' the victim now				
But don't even begin feelin' I'm the one to blame				
'Cause you dug your own grave				
After all of the fights and the lies				
Guess you're wanting to hurt me				
But that won't work anymore				
No more, uh uh, it's over				
'Cause if it wasn't for all of your torture				
I wouldn't know how to be this way now				
And never back down				
So I wanna say thank you				
'Cause it				
Makes me (6) much stronger				
Makes me work a little bit harder				

So thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker				
Makes me (7) much smarter				
So thanks for making me a fighter				
How (8) this man I thought I know				
Turn out to be unjust so cruel?				
Could only see the good in you				
Pretended not to see the truth				
You tried to hide your lies				
Disguise yourself through				
Living in denial				
But in the end you'll see				
You won't stop me				
I am a fighter				
(I'm a fighter)				
I ain't gonna stop				
(I ain't gonna stop)				
There is no turning back				
I've had enough				
Makes me that much stronger				
Makes me work a little bit harder				
Makes me that much wiser				
So thanks for making me a fighter				

Fill in the gaps

Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter
Thought I would forget
But I, I remember
Yes I remember
I'll remember
Thought I would forget
But I remember
Yes I remember
I'll remember
Makes me that much stronger
Makes me work a little bit harder
Makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for (9) me a fighter
