

Fill in the gaps

The Party Scene (Live) by All Time Low

	You know you left the (11) (12) nothing
Hey, kid, you've got	But the (13) through the window pane
A lot of potential but I (1) it's time to move up	Where tired (14) (15) close
So go on and blow us away with (2) sound	Stay seventeen
Now you're everything that we've come to love	The party scene has got the best of me and you
You (3) us to move, now we'll show it off	We've got to let this go
Just (4) us the (5) (c'mon)	I know she hopes I choke on (16) last drink
Here's to the (6) times	Drop (17) before my influence (18) to
The (7) we felt alive	her head
To all the nights that we forgot to get (8) home	She said
Stay seventeen	I'll (19) you forever or find something better
The party scene has got the best of me and you	It's all (20) the same as when we sleep together
We've got to let this go	We wake up with headaches and trouble remembering
Drink up (9) call before the sunrise sets the scene	What (21) wrong
Of (10) bottles, heavy hearts	Stay seventeen
The memories of broken dreams	The party (22) has got the best of me and
We were so tired yet so alive	You, we've got to let this go
Wrapped up in lies	
Like sheets of another one night stand
