The Party Scene (Live) by All Time Low

Hey, kid, you've got

A lot of potential but I think it's (1)_____ to (2)_____

up

So go on and blow us away with (3)_____ sound

Now you're everything (4)_____ we've come to love

You taught us to move, now we'll show it off

Just (5)_____ us the beat (c'mon)

Here's to the fast times

The times we felt alive

To all the nights that we forgot to get back home

Stay seventeen

The party scene has got the best of me and you

We've got to let this go...

Drink up last call before the sunrise sets the scene

Of empty bottles, heavy hearts

The memories of broken dreams...

We were so tired yet so alive

Wrapped up in lies

Like sheets of another one (6)_____ stand

You (7)_____ you left the girl with nothing

But the sunrise through the window pane

Where tired eyes will close...

Stay seventeen

The party scene has got the best of me and you

We've got to let this go...

I know she hopes I choke on this (8)_____ drink

Drop dead (9)_____ my influence gets to her head...

She said

I'll love you forever or find something better

It's all just the same as (10)_____ we sleep together

We wake up with headaches and trouble remembering

What went wrong

Stay seventeen

The party scene has got the best of me and

You, we've got to let this go...
