Though I'm hardly worth your time

### Fill in the gaps

#### Six Feet Under The Stars by All Time Low

Time to lay claim to the evidence	In the cold, you look so fierce
Fingerprints sell me out	But I'm warming up
But our footprints washed away	Because the tension's like a fire
From the docks downtown	We'll hit
It's been getting late for days	South Broadway in a matter of minutes
And I feel myself deserving of	And like a bad movie, I'll drop a line
A little time off	Fall in the grave I've been digging myself
We can kick it here for hours	But there's room for two
And just mouth off about the world	Six feet under the stars
And how we know it's going straight to hell	Time to lay (5) to the evidence
Pass me another bottle, honey	Fingerprints sell me out
The Jaeger's so sweet	But our footprints washed away
But if it keeps you around, then I'm down	I'm guilty, but I'm safe for one more day
Meet me on Thames Street	Overdressed and underage
I'll take you out	Do you really need see an ID?
Though I'm hardly worth your time	This is embarrassing as hell
In the cold, you look so fierce	But I can cover for it so well
But I'm (1) up	When we're six feet under the stars
Because the tension's like a fire	Thames Street
We'll hit	I'll take you out
South Broadway in a matter of minutes	Though I'm hardly worth your time
And like a bad movie, I'll drop a line	In the (6) you (7) so fierce
Fall in the grave I've been digging myself	But I'm warming up
But there's (2) for two	Because the tension's like a fire
Six feet under the stars	We'll hit
I should have known better than to call you out	South (8) in a matter of minutes
(On a night like this, a night like this)	And like a bad movie, I'll (9) a line
If not for you, I know I'd tear (3) place to the	Fall in the grave I've been (10) myself
ground	But there's room for two
(But I'm all right like this, all right like this)	Six feet under the stars
I'm (4) roll the dice	Six feet under the stars
Before you sober up and get gone	Six feet under the stars
I'm always in over my head	
Thames Street	
I'll take you out	

#### 1. warming
