

Before I lose it

Fill in the gaps

This Isn't Rocket Surgery by We Are The In Crowd

And now I know just how it feels to be alone	I just might lose it
(Alone and so damn scared)	And I bet you like that
It's (1) I can't even breathe, it's all this anxiety	Yeah you like that
It's killing me	You just don't wanna know
And after all these times, we let this replay	The (5) I had to let go
Nothing's changed, we still do it the same way	What's it gonna take to get you back (6) with me
I love that you've got me all figured out	
Because without a doubt	I love that you've got me all figured out
You're the best damn thing	Because without a doubt
That ever happened to me	You're the best damn thing
Now we're moving on	That ever happened to me
You just don't understand	I'm (7) crazy, just can't get it out of my head
It's not that hard to comprehend	Before I lose it
And after all (2) times, we let this replay	I just might lose it
Nothing's changed, we still do it the same way	And I bet you like that
I love that you've got me all figured out	Yeah, you like that
Because without a doubt	Can't get it out of my head
You're the best (3) thing	(Get it out of my head)
That ever happened to me	
I'm (4) crazy, just can't get it out of my head
