

## Fill in the gaps

I walked the line, the line I choose
I see the people in front of me
I climbed the wall, the wall of news
I watched them show the tragedy
If you were me, could you defend
The given rights to all the men?
Let's **** the world with all it's trend
They say it's all about to end
They say it's all about to end
They say, they say
There's a prison that's gone
But the fear (1) on
I (2) you walking on the dotted line
Maybe you don't see what's in (3) of me
Maybe you won't stand the test of time
For we (4) in sin, for we will win
I watched the president (5) his family
For we (6) in sin, for we will win

I (7) the president **** society
If you were me, could you defend
The given rights to all the men?
Let's **** the world with all it's trend
They say it's all about to end
They say it's all about to end
They say, they say
I (8) in love with the old times
I never mention my own mind
Let's **** the world with all it's trend
Thank god, it's all about to end
They say, it's all about to end
They say, they say
They say, they say
They say it's all about to end
