

## You are the (1)\_ person That I've ever known We are joined at the surface But nowhere else I look in the glass And stare at your strained Grey, motionless face and ask: Underneath is there a golden soul? Take care of the ones that you love Take (2)\_\_\_\_ \_\_\_\_ of the ones that you love Baby I'm leaving here You need to be with somebody else I can't stop bleeding here Can you suture my wounds?

We all have to wake

That won't come back
Sooner or later

And try forgetting everything

Everyone is beginning to breath

You are in love (3)\_\_\_\_\_ a shadow

As I break down
