

## Fill in the gaps

Step out (1) the Indian dust	It wasn't meant to be
I can feel the cracks in my spirit	And it's a great big world
They're starting to bust	She's just another girl
Drive by your house, nobody's home	I could be reeling them in left and right
I'm trying to tell (2) that I'm better off alone	Something's got a hold on me, tonight
All of my friends say I should move on	Well maybe all of my friends
She's just another girl	Should confront
Don't let her stick it to your heart so hard	The fact that I don't want
And of all my (3) say	Another girl
It wasn't meant to be	All of my friends say I should move on
And it's a great big world	All of my friends say
She's just another girl	All of my friends say
Another girl	All of my friends say
I (4) to see a fortuneteller	She's (8) another girl
That was a trip	Then why can't I sleep at night
Maybe this confusion's got me losing my grip	And why don't the (9) look right
I can't believe you're out there flying	The sounds up, the TV's on
With (5) else	And it's a great big world
Now Jason's getting (6) in the blink of an	She's just another girl
eye	Don't let her stick it to (10) heart, bo
I got an invitation but I didn't reply	She's just another girl
Tell your little brother (7) we put down the gloves	All of my friends say
And give him all of my love	She's just another girl
All of my friends say I should move on	Another girl
She's just another girl	
Don't let her stick it to your heart so hard	
And all of my friends say
