| Vas going to be sunny skies | 'Cause we made it this far on for better or worse |

| guess somebody lied | If I gotta cry |
| Started discussing then to fighting | To get to the other side |
| Then don't touch me please | As long as you're (4) I'll survive |
| Then it's let's stop the madness | We stay |
| lust come lay with me | On the front lines |
| And truth be told | Yeah, but we're still here |
| 'm waving my flag | After the bomb drops |
| Before it goes bad (yeah, yeah) | We go so hard |
| Cause we made it this far on for better or worse | We lose control |
| wanna feel it even if it hurts | The fire starts |
| f I (1) cry | Then we explode |
| To get to the other side | When the smoke clears |
| et's go 'cause we're going to survive | We dry our tears |
| Ve stay | Only in love and war |
| On the front lines | As long as we make up after every fight |
| eah, but we're still here | When it's over |
| After the bomb drops | You know I'm coming home |
| Ve go so hard | Right there where I belong |
| Ve lose control | I'm (5) all this over |
| The fire starts | And we stay |
| Then we explode | On the front lines (on the front lines) |
| When the smoke clears | Yeah, but we're still here |
| Ve dry our tears | After the bomb drops |
| Only in love and war | We go so (6) (we go so hard) |
| Sometimes you're my general | We lose control (we lose control) |
| ou quarterback all these plays | The fires starts (the (7) starts) |
| Sometimes you're my enemy | Then we explode (baby) |
| And I'm throwing grenades | When the smoke clears |
| We'll just be chilling and laughing | We dry our tears |
| 'm laying on (2) chest | Only in love and war |
| Oon't know what I did | Only in love and war |
| Cause things just went left | (Only in (8) and war) |
