MC	I will hunt you down
In the place to be	'Cause they be all up in my business
	Like a Wendy interview
I know that you been waiting for it and I'm waiting too	But this is private, between you and I
In my imagination I'll be all up on you	Touch my body, put me on the floor
I know you got that fever for me hundred and two	Wrestle me around, (5) with me some more
And boy I know I feel the same	Touch my body, throw me on the bed
My temperature's through the roof	I just wanna make you feel like you never did
If it's a camera up in here	Touch my body, let me wrap my thighs
Then it's gonna leave with me when I do, I do	All around your waist, just a little taste
If it's a camera up in here	Touch my body, know you like my curves
Then I best not catch this flick on YouTube, YouTube	Come on and give me what I deserve and
