

Fill in the gaps

Un-Break My Heart by Toni Braxton

	When you walked out the door
Don't (1) me in all this pain	And (6) out of my life
Don't leave me out in the rain	Un-cry these tears
Come (2) and bring back my smile	I (7) so many nights
Come and take these tears away	Unbreak my heart
I need (3) arms to hold me now	Don't leave me in all this pain
The nights are so unkind	Don't leave me out in the rain
Bring back those nights when I held you beside me	Bring (8) the nights when I held you
Unbreak my heart	(9) me
Say you'll love me again	Unbreak my heart
Undo this hurt you caused	Say you'll love me again
When you walked out the door	Undo this hurt you caused
And walked out of my life	When you walked out the door
Un-cry these tears	And walked out of my life
I cried so many nights	Un-cry these tears
Unbreak my heart, my heart	I (10) so many nights
Take back that sad word good-bye	Unbreak my heart
Bring back the joy to my life	Unbreak my heart, oh baby
Don't leave me (4) with these tears	Come back and say you love me
Come and (5) this pain away	Unbreak my heart
I can't forget the day you left	Sweet darling
Time is so unkind	Without you I just can't go on
And life is so cruel without you here beside me	Can't go on
Unbreak my heart	
Say you'll love me again	
Undo this hurt you caused
