Fill in the gaps

Un-Break My Heart by Toni Braxton

	When you walked out the door
Don't leave me in all this pain	And walked out of my life
Don't leave me out in the rain	Un-cry these tears
Come back and bring back my smile	I cried so many nights
Come and take these tears away	Unbreak my heart
I need your arms to (1) me now	Don't leave me in all this pain
The nights are so unkind	Don't leave me out in the rain
Bring (2) those nights when I held you beside me	Bring back the nights when I (9) you beside me
Unbreak my heart	Unbreak my heart
Say you'll love me again	Say you'll (10) me again
Undo (3) hurt you caused	Undo this hurt you caused
When you (4) out the door	When you walked out the door
And walked out of my life	And walked out of my life
Un-cry these tears	Un-cry these tears
I cried so many nights	I cried so many nights
Unbreak my heart, my heart	Unbreak my heart
Take back that sad word good-bye	Unbreak my heart, oh baby
Bring back the joy to my life	Come back and say you love me
Don't leave me (5) with these tears	Unbreak my heart
Come and (6) this pain away	Sweet darling
I can't forget the day you left	Without you I just can't go on
Time is so unkind	Can't go on
And life is so (7) without you here beside me	
Unbreak my heart	
Say you'll love me again	
Undo this (8) you caused
