

Fill in the gaps

Time to change has come and gone	Yes it (5) to (6) you're bought
Watched your fears become your god	It's your decision
lt's (1) decision	It's your decision
It's your decision	You feed the fire that burned us all
Overwhelmed you chose to run	When you lied
Apathetic to the stunned	To feel the pain that spurs you on
It's your decision	Black inside
It's your decision	It's your decision
You (2) the fire that burned us all	It's your decision
When you lied	No one plans to take the (7) that brings you lowe
To feel the pain that spurs you on	And (8) you stand before us all and say it's over
Black inside	It's over
No one (3) to take the path (4) brings	It's over
you lower	
And here you stand before us all and say it's over	
It's over	
It might seem an afterthought
