

Fill in the gaps

Don't (1) much (2) your life	Or a hand to hold
Don't know much about your (3) but	Or hell to pay
Don't want to be alone tonight	What do you say?
On (4) planet (5) (6) earth	What do you say?
You don't know (7) my past and	And I've had my heart beaten down
I don't have the future figured out	But I always (16) back for more, yeah
And (8) is going too fast	There's nothing (17) (18) to
And maybe it's not meant to last	(19) you up
But (10) do you say to (11)	When you're (20) (21) on the floor
chances?	there
What do you say to jumping off the edge	So talk to me, talk to me like lovers do
And never (12) if there's solid ground below	Yeah walk with me, (22) with me like lovers do
Or a hand to hold	Like lovers do
Or hell to pay	What do you say to (23) chances?
What do you say?	What do you say to (24) off the edge
What do you say?	And never (25) if there's solid ground below
I just wanna start again	Or a hand to hold
Maybe you could show me how to try	Or hell to pay
Maybe you (13) me in	What do you say?
Somewhere underneath (15) skin	What do you say?
What do you say to taking chances?	Don't know much about your life
What do you say to jumping off the edge	And I don't know much about (26) world
And never knowing if there's solid ground below
