Don't know much about your life				Or a hand to hold
Don't	(1)(2	2) about	your	Or hell to pay
(3)	but			What do you say?
Don't want to be alone tonight				What do you say?
On this planet they call earth				And I've had my heart beaten down
You don't know about my past and				But I always come back for more, yeah
I don't have the future figured out				There's nothing like love to pull you up
And maybe this is going too fast				When you're lying (7) on the (8)
And maybe it's not meant to last				there
But what do you say to taking chances?				So talk to me, talk to me like lovers do
What do you say to (4) off the edge			;	Yeah walk with me, walk (9) me like lovers do
And never knowing if there's solid (5) below			below	Like lovers do
Or a hand to hold				What do you say to taking chances?
Or hell to pay				What do you say to jumping off the edge
What do you say?				And never knowing if there's solid ground below
What do you say?				Or a hand to hold
I just wanna (6) again				Or hell to pay
Maybe you could show me how to try				What do you say?
Maybe you could take me in				What do you say?
Somewhere underneath your skin				Don't know much about your life
What do you say to taking chances?				And I don't know much about your world
What do you say to jumping off the edge				
And never knowing if there's solid ground below
