

Fill in the gaps

| Trapped in a prism, in a prism of light | It's just a Reflektor (it's just a Reflektor) |
|------------------------------------------------|------------------------------------------------------|
| Alone in the darkness, (1) of white | Just a reflection, of a reflection |
| We fell in love, alone on a stage | Of a reflection, of a reflection |
| In the reflective age | Will I see you on the (11) side? (just a Reflektor) |
| (Entre la nuit, la nuit et l'aurore) | We all got things to hide (just a Reflektor) |
| (Entre les royaumes, des vivants et des morts) | It's just a reflection of a reflection |
| If this is heaven | Of a reflection, of a reflection |
| I don't know what it's for | Will I see you on the other side? (just a Reflektor) |
| If I can't find you there | We all got things to hide (just a Reflektor) |
| I don't care | Alright, let's go back |
| I thought, I found a way to enter | Our song escapes, on (12) |
| It's just a Reflektor (it's just a Reflektor) | (13) discs |
| I thought, I found the connector | Our love is plastic, we'll break it to bits |
| It's (2) a Reflektor (it's just a Reflektor) | I want to break free, but will they break me? |
| Now, the signals we send, are deflected again | Down, down, down, don't mess around |
| We're (3) connected, but are we even friends? | I thought, I found a way to enter |
| We fell in (4) (5) I was nineteen | It's just a Reflektor (it's (14) a Reflektor) |
| And I was staring at a screen | I thought, I found the connector |
| (Entre la nuit, la nuit et l'aurore) | It's just a Reflektor (it's just a Reflektor) |
| (Entre les voyants, les vivants et les morts) | It's (15) a Reflektor (it's just a Reflektor) |
| If this is heaven | It's (16) a (17) (it's just a |
| I (6) something more | Reflektor) |
| Just a place to be alone | Thought you (18) bring me to the resurrector |
| 'Cause you're my home | Turns out it was just a Reflektor (it's (19) a |
| I thought, I found a way to enter | Reflektor) |
| It's just a Reflektor (it's just a Reflektor) | Thought you would (20) to me the resurrector |
| I thought, I found the connector | Turns out it was (21) a Reflektor (it's just a |
| It's (7) a Reflektor (it's just a Reflektor) | Reflektor) |
| Just a Reflektor | Thought you would bring to me the resurrector |
| It's just a Reflektor (it's just a Reflektor) | Turns out you were just a Reflektor |
| It's just a Reflektor (it's (8) a Reflektor) | It's (22) a Reflektor (it's just a Reflektor) |
| It's (9) a Reflektor (just a Reflektor) | It's just a Reflektor (it's just a Reflektor) |
| Reflektor | It's (23) a Reflektor |
| Just a Reflektor | It's (24) a Reflektor |
| It's (10) a Reflektor (it's just a Reflektor) | It's just a Reflektor |
| It's just a Reflektor (it's just a Reflektor) | Will I see you on the other side? |
| Reflektor | It's just a Reflektor |
| It's just a Reflektor | Will I see you on the other side? (Reflektor) |
| It's just a Reflektor | We all got (25) to (26) (Reflektor) |
| It's just a Reflektor (it's just a Reflektor) | Just a Reflektor |
| | Will I see you on the (27) side? |
