

## Reflektor by Arcade Fire

### Fill in the gaps

Trapped in a prism, in a prism of light  
Alone in the darkness, darkness of white  
We fell in love, alone on a stage  
In the reflective age  
(Entre la nuit, la nuit et l'aurore)  
(Entre les royaumes, des vivants et des morts)  
If this is heaven  
I don't know what it's for  
If I can't find you there  
I don't care  
I thought, I found a way to enter  
It's just a Reflektor (it's just a Reflektor)  
I thought, I found the connector  
It's just a Reflektor (it's (1)\_\_\_\_\_ a Reflektor)  
Now, the signals we send, are deflected again  
We're still connected, but are we even friends?  
We fell in love when I was nineteen  
And I was staring at a screen  
(Entre la nuit, la nuit et l'aurore)  
(Entre les voyants, les vivants et les morts)  
If this is heaven  
I need something more  
Just a place to be alone  
'Cause you're my home  
I thought, I found a way to enter  
It's just a Reflektor (it's (2)\_\_\_\_\_ a Reflektor)  
I thought, I found the connector  
It's just a Reflektor (it's just a Reflektor)  
Just a Reflektor  
It's (3)\_\_\_\_\_ a Reflektor (it's just a Reflektor)  
It's just a Reflektor (it's just a Reflektor)  
It's (4)\_\_\_\_\_ a Reflektor (just a Reflektor)  
Reflektor  
Just a Reflektor  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor (it's just a Reflektor)  
Reflektor  
It's just a Reflektor  
It's just a Reflektor  
It's just a Reflektor (it's just a Reflektor)

It's just a Reflektor (it's just a Reflektor)  
Just a reflection, of a reflection  
Of a reflection, of a reflection, of a reflection  
Will I see you on the other side? (just a Reflektor)  
We all got things to hide (just a Reflektor)  
It's just a reflection of a reflection  
Of a reflection, of a reflection, of a reflection  
Will I see you on the other side? (just a Reflektor)  
We all got (5)\_\_\_\_\_ to (6)\_\_\_\_\_ (just a Reflektor)  
Alright, let's go back  
Our song escapes, on (7)\_\_\_\_\_ silver discs  
Our love is plastic, we'll break it to bits  
I want to break free, but will they break me?  
Down, down, down, don't mess around  
I thought, I found a way to enter  
It's just a Reflektor (it's just a Reflektor)  
I thought, I found the connector  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor (it's (8)\_\_\_\_\_ a Reflektor)  
It's just a Reflektor (it's just a Reflektor)  
Thought you (9)\_\_\_\_\_ bring me to the resurrector  
Turns out it was just a Reflektor (it's just a Reflektor)  
Thought you (10)\_\_\_\_\_ bring to me the resurrector  
Turns out it was just a Reflektor (it's just a Reflektor)  
Thought you would bring to me the resurrector  
Turns out you were just a Reflektor  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor  
It's just a Reflektor  
It's just a Reflektor  
Will I see you on the other side?  
It's just a Reflektor  
Will I see you on the other side? (Reflektor)  
We all got things to hide (Reflektor)  
Just a Reflektor  
Will I see you on the other side?

## Fill in the gaps

Answer

1. just
2. just
3. just
4. just
5. things
6. hide
7. little
8. just
9. would
10. would
