

Fill in the gaps

When love breaks up	I break up
When the dawn light (1) up	With each and every one of your looks at me
A new (2) is born	Honey you're starting something
Somehow I have to make this (3) breakthru	Deep inside of me
Now!	Honey you're sparking something
I wake up	This fire in me
Feel (4) fine	I'm outta control
Your face	I wanna (17) headlong into this ecstasy
Fills my mind	If I could only reach you
I get religion quick	If I could (18) you smile
'Cause you're looking divine	If I could only (19) you
Honey you're touching something	That (20) really be a breakthru
You're touchin' me	If I could only reach you
I'm (5) your thumb	If I could make you smile
Under you're spell	If I could (21) reach you
Can't you see	That would really be a breakthru
If I could only reach you	(Oh) yeah
If I could (6) you smile	Breakthru
If I (7) (8) you	Breakthru
That would (10) be a breakthru	If I could only reach you
(Oh) yeah	If I could (22) you smile
Breakthru, (11) barriers of pain	If I could (23) reach you
Breakthru, to the sunshine (12) the rain	That (24) really be a breakthru
Make my (13) towards	If I could only (25) you
you	If I could make you smile
Turn my heart (15) and out for you now	If I (26) only (27) you
Somehow	That would really be a breakthru
I have to make (16) final breakthru	Breakthru
Now!	
(Oh) yeah	
Your smile	
Speaks books to me
