The Lost Art Of Keeping A Secret by Queens Of The Stone Age

I've got a secret, I (1) say	Whatever you do
Blame all the movement to give it away	Don't tell anyone
You've got something, I understand	Whatever you do
Holding it tightly, (2) on command	Don't tell anyone
Leap of faith, do you doubt?	Whatever you do
Cut you in, I (3) cut you out	Don't tell
Whatever you do	l (11) you (12) know
Don't (4) anyone	How far I'd go not to say
Whatever you do	You (13) the art isn't gone
Don't (5) anyone	And I'm taking my (14) to the grave
Look for reflections, in your face	Whatever you do
Canine devotion, (6) can't erase	Don't tell anyone
Out on the corner, (7) in (8) room	Whatever you do
I never believe them and I (9) assume	Don't (15) anyone
Still can't believe (10) is a lie	Whatever you do
Promise is promise, an eye for an eye	Don't (16) anyone
We've got something to reveal	Whatever you do
No one can know how we feel	Don't tell
Whatever you do	
Don't tell anyone
