

And everyday can be

Fill in the gaps

I (1) Im (2) back	My (16) paradise
To the thing I (3) so well	And I can play
In my youth	Hide and (17) with my fears
I (4) I'm (5) to	And (18) my days
All those (6) (7) I was young enough	Instead of counting my years
To know the truth	Let (19) debate
Now there are no games	The (20) reality
To only pass the time	I'd rather see my world
No (8) trains	The way it (21) to be
No (10) trees to climb	A (22) bit of courage
Thinking young	Is all we lack
And growing older	So catch me if you can
Is no sin	'Cause I'm going back
And I can play the (11) of life to win	I'm going back
(Oh) I can (12) the time	Not just sitting
When I wasn't ashamed to (13) out	Walking away
To a friend	Yes, I'm (23) back
And now I think I've got	Going (24) to my youth
A lot (14) than	Come on, catch me 'cause I'm (25) back
Just my toys to lend	I'm going back
Now there's more to do	
Than watch my (15) glide
