When you're in need of love
They give you care and attention

Friends Will Be Friends (Live) by Queen

Another red (1) day	Friends will be friends
So the pound has dropped	When you're through with life and all hope is lost
And the children are creating	Hold out your hands 'cos friends (7) be friends
The other half ran away	Right till the end
Taking all the cash	It's so easy now
And leaving you with the lumber	'Cause you got friends you can trust
Got a pain in the chest	Friends will be friends
Doctor's on strike (2) you need is a rest	When you're in (8) of love
It's not (3) love	They give you care and attention
But you've got friends you can trust	Friends will be friends
Friends will be friends	When you're through with life and all hope is lost
When you're in need of love	Hold out your hands
They give you care and attention	Friends will be friends
Friends will be friends	Right till the end
When you're (4) with (5) and all	Friends will be friends
hope is lost	When you're in need of love
Hold out your (6) 'cos friends will be friends	They give you care and attention
Right till the end	Friends (9) be friends
Now it's a beautiful day	When you're through with life and all hope is lost
The postman delivered a letter from your lover	Hold out (10) hands
Only a phone call away	'Cause right till the end
You tried to track him down	Friends will be friends
But somebody stole his number	Friends will be friends
As a matter of fact	Friends will be friends
You're getting used to life	(When you're through with life and all hope is lost)
Without him in your way	(Hold out your hands 'cos friends will be friends)
It's so easy now	(Right till the end)
'Cause you got friends you can trust	
Friends will be friends
