Separate Ways (Worlds Apart) by Journey

Here we stand		If you must go, I wish you love
Worlds apart, (1) broke	en in two, two, two	You'll never walk alone
Sleepless nights		Take care my love
Losing ground I'm (2)	for you	Miss you love
You, you		Someday love will find you
Feeling that it's gone		Break those chains (7) bind you
Can change your mind		One night will remind you
If we can't go on		How we touched and went our separate ways
To survive the tide love divides		If he ever hurts you
Someday love (3) find you		True love won't (8) you
Break those chains that bind you		You know I still love you
One night (4) (5)	you	Though we touched and went our (9)
How we touched and went our separate ways		ways
If he ever hurts you		Someday love will find you
True love won't desert you		Break those chains that bind you
You (6) I still love you		One night will remind you
Though we touched and went our separate ways		If he ever hurts you
Troubled times		True love won't desert you
Caught between confusions and pain, pain, pain		You know I still love you
