

Fill in the gaps

ve had enough of danger	And teacher
And people on the streets	There are things
m looking out for angels	That I don't want to learn
lust trying to find some peace	Oh the last one I had
Now I (1) it's time	Made me cry
Fhat you let me know	So I don't want to learn to
So if you love me	Hold you, touch you
Say you love me	Think that you're mine
But if you don't just let me go	Because it ain't no joy
Cause teacher	For an uptown boy
There are things	Whose (5) has told him goodbye
Fhat I don't want to learn	Goodbye, goodbye
And the last one I had	So when you say (6) you need me
Made me cry	That you'll never (7) me
So I don't want to learn to	I know you're wrong, you're not that strong
Hold you, touch you	Let me go
Think that you're mine	And teacher
Because it ain't no joy	There are things
For an (2) boy	That I still have to learn
Whose teacher has told him goodbye	But the one thing I have is my pride
Goodbye, goodbye	(Oh) so I don't (8) to
Vhen you were just a stranger	Hold you, touch you
And I was at your feet	Think (9) you're mine
didn't feel the danger	Because there ain't no joy
Now I (3) the heat	For an uptown boy
That look in your eyes	Who (10) isn't willing to try
Telling me no	I'm so cold
So you think that you love me	Inside
Know that you (4) me	Maybe just one more try
wrote the song, I know it's wrong	
lust let me go
