

Kissin U by Miranda Cosgrove

Sparks fly, it's like electricity

I might die when I forget how to breathe

You get closer and there's nowhere

In this world I'd rather be

Time stops like everything around me

It's (1)_____ and nothing matters but these

Few moments when you open

My mind to (2)_____ I've never seen

'Cause (3)_____ I'm kissing you my (4)_____

come alive

Almost like the puzzle piece I've been trying to find

Falls right into place, you're all that it takes

My doubts fade away when I'm kissing you

When I'm kissing you it all starts making sense

And all the questions I've been asking in my head

Like are you the one?

Should I really trust?

Crystal clear it becomes when I'm kissing you

Past loves, they never got really far

Walls up, made sure I guarded my heart

And I promise I wouldn't do this

'Til I knew it was right for me

But no one, no guy that I met before

Could make me feel so right and secure

And (5)_____ you noticed I lose my focus?

And the world around me disappears

Fill in the gaps

'Cause when I'm kissing you my senses come alive

Almost like the puzzle piece I've been (6)_____ to find

Falls right into place, you're all that it takes

My doubts fade away when I'm kissing you

When I'm kissing you it all starts making sense

And all the questions I've been asking in my head

Like are you the one?, Should I really trust?

Crystal clear it becomes when I'm kissing you

I've never felt nothing (7)_____ this

You're making me open up

No point even trying to fight this

It kinda feels like it's love...

'Cause when I'm kissing you my senses come

Almost like the puzzle (8)_____ I've been trying to find

Falls right into place, you're all that it takes

My doubts fade away when I'm kissing you

When I'm kissing you it all starts making sense

And all the questions I've been (9)_____ in my head

Like are you the one?

Should I really trust?

Crystal clear it becomes

When I'm kissing you
