Shape Of My Heart (Acoustic) by Sting

He deals the cards as a meditation		But that's not the shape of my heart	
And (1)	he plays never suspect That's not the shape		
He doesn't play for the money he wins		The shape of my heart	
He doesn't play for the respect		And if I told you that I loved you	
He deals the (2)	to find the answer	You'd maybe think there's (7)	wrong
The (3)	geometry of chance	I'm not a man of too many faces	
The hidden law of probable outcome		The mask I wear is one	
The numbers lead a dance		Those who (8) (9) nothing	
I know that the spades		And find out to (10) cost	
Are the swords of a soldier		Like those who curse their luck in too many places	
I know that the clubs are weapons of war		And those who fear are lost	
I know that diamonds mean money for (4) art		I know that the spades	
But that's not the shape of my heart		Are the swords of a soldier	
He may play the jack of diamonds		I know that the clubs are weapons of war	
He may lay the queen of spades		I know that diamonds mean money for this art	
He may conceal a king in his hand		But that's not the shape of my heart	
While the memory of it fades		That's not the shape of my heart	
I know (5) the spades		That's not the shape	
Are the swords of a soldier		The shape of my heart	
I know that the clubs are weapons of war			
I know that diamonds (6) money for this art
