Russians by Sting

In Europe and America

There's a growing feeling of hysteria

Conditioned to respond to all the threats

In the rhetorical speeches of the Soviets

Mr. Krushchev said we will bury you

I don't (1)_____ to this point of view

It would be such an (2)_____ thing to do

If the Russians love their children too

How can I save my little boy

From Oppenheimer's deadly toy

There is no monopoly in common sense

On either side of the political fence

We share the same biology

Regardless of ideology

Believe me when I say to you

I hope the Russians (3)_____ their (4)_____ too

There is no historical precedent

To put the words in the mouth of the President

There's no such thing as a (5)_____ war

It's a lie that we don't (6)_____ anymore

Mr. Reagan (7)_____ we will protect you

I don't (8)_____ to this point of view

Believe me (9)_____ I say to you

I hope the Russians love their children too

We share the same biology

Regardless of ideology

What might save us, me, and you

Is if the Russians love their children too
