

## Fill in the gaps

I watch it all change	Faith to live as we should
Take the news of the day	And know we're all conne
And (1) it away	We give (8)
Time will (2) all the pain	Stay strong
Fate will cure the decay	Stay true
Of all this blind ambition	Be brave
The greed brings us together	It all comes (9)
Stand up	Every day that you wait
Aim true	You're (10)
Keep heart	No sleight of hand
The future (3) to you	No twist of fate
Every second you (4) away	No ever after
Every minute of everyday	When it's gone, it's gone
Don't get caught in a memory	A fight 'til the bitter end
'Cause (5) won't wait for you	Life won't wait for you
No, life won't wait for you	No, life won't wait for you
My friend	My friend
I'm (6) the change	Life won't wait for you my
Who will carry the flame	Life won't wait for you my
It all (7) very strange	
Dreams that mean can be good
