

Fill in the gaps

May our hearts be (1) our	And I will be remembered
(3) tonight	For centuries of sand
May we sing and dance (4) we lose our minds	This man was a hero
We are only young if we seize the night	A hero of the night
Tonight we own the night	When he was at a party
Tonight we own the night	The party never died
(La la la la la la)	(Hey)
(La la la la la la)	I'm a little drunk but I got something to say
When my (5) is over, lying in my grave	May our (10) be (11) like our
Written on my tombstone, I want it to say	(12) tonight
This man was a legend, a legend of his time	May we sing and (13) till we lose our minds
When he was at a party	We are (14) if we seize the night
The (6) never died	Tonight we own the night
(Hey)	And let us (16) up in studded strangers bed
Everybody's got a dream so what do you say?	Let the (17) comes in until
Are we making history?	(18) left
May our hearts be full like our (7) tonight	And this night my friends we (19) not forget
May we (8) and dance till we lose our minds	Tonight we own the night
We are only young if we seize the night	Tonight we own the night
Tonight we own the night	May our hearts be full (20) our drinks tonight
Tonight we own the night	May we sing and (21) we lose
(La la la la la la)	our minds
(La la la la la la)	We are (23) if we seize the night
For tonight I'm famous	Tonight we own the night
For (9) im king	Tonight we own the night

1. full
