

Hide us in shadows

Fill in the gaps

You (1) (2) the fog is (3)	Unfathomable, wall-less maze
omnipresent	A (13) haze
When the diseases (4) no cure	He is (14) omniscient
You (5) (6) the fog is (7)	Seeing the world (15) (16) spite
omnipresent	The surge of humanity oblivious
When the intents remain obscure	To the (17) whom (18)
Forevermore	light
Weave us a mist	Let there be night
Fog weaver	Weave us a mist
Hide us in shadows	Fog weaver
Unfathomable wall-less maze	Hide us in shadows
A secular haze	Fog weaver
You know (8) his son is near omnipotent	Come mist eternal
When she (9) eye to eye with spears	
You (10) his son is near	Come mist eternal
omnipotent	
When (12) and innocence disappear	Come (19) haze
Forever lost	
Weave us a mist	
Fog weaver
