

Fill in the gaps

Was a long and dark December		
From the rooftops I remember		
There was snow		
White snow		
Clearly I remember		
From the windows they were watching		
While we froze down below		
When the future's architectured		
By a carnival of idiots on show		
You'd better lie low		
If you love me		
Won't you let me know?		
Was a long and dark December		
When the (1) (2)	cathedrals	
And the fog		
Became God		
Priests (3) onto b	oibles	
Hollowed out to fit their rifles		
And the cross was held aloft		
Bury me in honor		

When I'm dead and hit the ground

A love back home it unfolds		
If you love me		
Won't you let me know?		
I don't want to be a soldier		
With the (4)	of some (5)	
ship		
With snow, far below		
So if you (6) me		
Why'd you let me go?		
I took my love down to (7)	hill	
There we sat in snow		
All that (8) she was silent still		
So if you love me		
Won't you let me know?		
If you (9) me,		
Won't you let me know?
