Love Remains The Same by Gavin Rossdale

A thousand times I've seen you standing
Gravity like a lunar landing
Make me want to run till I find you
I shut the world away from here
Drift to you, you're all I hear
Everything we know fades to black
Half the time the (1)_____ is ending
Truth is I am done pretending
I never thought that I
Had anymore to give
Pushing me so far
Here I am without you
Drink
To all that we have lost
Mistakes we have made
Everything will change
But love remains the same
Find the (2)_____ where we escape
Take you with me for a space
The city buzz, (3)_____ just like a fridge
I walk the (4)_____ through seven bars
I had to (5)_____ just where you are
The faces seems to blur, they're all the same
Half the time the world is ending
Truth is I am done pretending
I never thought that I
Had anymore to give
Pushing me so far
Here I am without you
Drink
To all that we have lost
Mistakes we have made
Everything will change
But love remains the same

So much more to say
So much to be done
Don't you trick me out
We shall overcome
So all have (6)_____ in place
We should (7)_____ had the sun
Could have been inside
Instead we're over here
Half the time the world is ending
Truth is I am (8)_____ pretending
Too much time, too long defending
You and I are done pretending
I (9)_____ thought that I
Had anymore to give
Pushing me so far
Here I am without you
Drink
To all that we have lost
Mistakes we have made
Everything will change
Everything will change
I
(Oh oh) I
I wish
This could last forever
I
(Oh oh) I
I as if
We could last forever
Love (10)_____ the same
Love remains
The same
