Love Remains The Same by Gavin Rossdale

A thousand (1) I've seen you standing	So much (14) to say
Gravity like a lunar landing	So much to be done
Make me want to run till I (2) you	Don't you (15) me out
I shut the world away (3) here	We (16) overcome
Drift to you, you're all I hear	So all have stayed in place
Everything we know (4) to black	We should have had the sun
Half the time the (5) is ending	Could have been inside
Truth is I am done pretending	Instead we're over here
I never (6) that I	Half the (17) the world is ending
Had anymore to give	Truth is I am done pretending
Pushing me so far	Too (18) time, too long defending
Here I am without you	You and I are (19) pretending
Drink	I never (20) (21)
To all that we have lost	Had anymore to give
Mistakes we have made	Pushing me so far
Everything will change	Here I am without you
But love remains the same	Drink
Find the (7) where we escape	To all that we have lost
Take you with me for a space	Mistakes we (22) made
The city buzz, sounds just like a fridge	Everything (23) change
I walk the streets (8) seven bars	Everything will change
I had to (9) just where you are	1
The faces seems to blur, they're all the same	(Oh oh) I
Half the time the world is ending	I wish
Truth is I am done pretending	This (24) last forever
I (10) thought that I	1
Had anymore to give	(Oh oh) I
Pushing me so far	I as if
Here I am without you	We (25) (26) forever
Drink	Love remains the same
To all that we (11) lost	Love remains
Mistakes we (12) made	The same
Everything will change	
But (13) remains the same
