# Prime Time by Janelle Monáe & Miguel

(It's prime time)	And it's hard
Tick-tock, I'm watching the clock	And you feel like you've given your all
I can't (1) till we get to rock	Baby, my love
I (2) scream and dream and throw a love parade	Is always right here for you (yeah)
Is that okay (yeah)	'Cause baby it's a prime time
Tonight it's me and you alone	For our love
Won't make a call, won't even write a song	Ain't nobody (7) but the stars above
See I've been waiting and waiting for the time to say	It's a prime time
Now listen baby	For our love
When you're down	And Heaven is betting on us
And it's hard	It's a prime time
And you feel like you've given (3) all	For our love (yes, it is)
Baby, I know	Ain't nobody peeking but the stars above
We'll always keep it real and true (yeah, yeah)	It's a prime time
'Cause baby it's a prime time	For our love
For our love	And Heaven is betting on us
Ain't nobody peeking but the stars above	I know sometimes I'm mysterious
It's a prime time	And you're (8) too
For our love	But tonight
And Heaven is betting on us	I don't wanna be mysterious with you
Bang bang, I'm calling your name	'Cause (9) it's a (10) time
You're like a (4) the world can't tame	For our love
I wanna (5) till the stars come out and play	Ain't nobody peeking but the stars above
Is that okay (is that okay, babe)	It's a prime time
Tonight it's me and you alone	For our love
Won't take a call, won't (6) write a song	And Heaven is betting on us
This will be a personal kind of day	
Listen, babe	
When you're down
