Things We Lost In The Fire by Bastille

Things we lost	Sure as (9) have nothing now, you said
To the flames	We were (10) with nothing and we
Things we'll never	Sure as hell have nothing now
See again	These are the things
All that we	The (11) we lost
Have amassed	The things we lost in the fire, fire, fire
Sits before us	These are the things
Shattered into ash	The things we lost
These are the things	The things we lost in the fire, fire, fire
The things we lost	Do you understand (12) we will
The (1) we lost in the fire, fire, fire	Never be the same again
These are the things	Do you understand (13) we will
The things we lost	Never be the same again
The things we (2) in the fire, fire, fire	The future's in our hands and we will
We sat and made a list	Never be the same again
Of all the things that we had	The future's in our hands and we will
Down the backs of (3) tops	Never be the (14) again
Ticket stubs and your diaries	These are the things (these are the things)
read them all one day	The things we (15) (the things we lost)
When (4) came and you were away	The things we lost in the fire, fire, fire
Oh, they (5) me nothing new	These are the things (these are the things)
But I love to (6) the words you used	The things we lost (the things we lost)
These are the things	The things we (16) in the fire, fire, fire
The things we lost	These are the things (these are the things)
The things we lost in the fire, fire, fire	(The (17) we lost)
These are the things	These are the (18) we lost in the fire, fire, fire
The things we lost	Flames they licked
The things we (7) in the fire, fire, fire	The walls
was the (8) and you were the rock	Tenderly they turned to dust
Maybe we started this fire	All that I adore
Ne sat apart and watched
