What I do, I took her back
Fool me twice, that's my bad
I can't even (9) her for that
Enough to make me wanna murder

And I let you
You steal the (10) right out of my mouth
And I watch you eat it, I still don't know why
Why our love is so much
You curse my name
In spite
To put me to shame
Air all my laundry in the streets
Dirty or clean
Give it up for fame
But I still don't know why
Why I love it so much
