

Fill in the gaps

I'm not proud, I was wrong	We (14) use it (yeah)
And the truth is hard to take	Lessons in love
I felt sure we had enough	Lost without love
But our (1) went overboard	Lessons in love
Lifeboat lies (2) at sea	When (15) you ever learn
I've (3) trying to reach your shore	Lessons in love
Waves of doubt (4) (5) me	When there's nowhere left to turn
All the dreams	Lessons in love
That we were building	Don't let (16) (17) burn
We (6) them	Lessons in love
Could be better	I'll wait till you return
Should be better	All the dreams
For	That we were building
Lessons in love	(Yeah, yeah, yeah)
For restless eyes	We never (18) them
Egos burn	We could lose it
And the (8) is (9) to break	We should use it (for lessons in love)
Now we've waded in too deep	For (19) in love
And love is overboard	All the homes
Heavy hearts, token words	That we were building
All the (10) I ever had	We never (20) in
Fade like footprints in the sand	Could be (21) (could be better)
All the homes	Should be (22) (yeah)
That we were building	Lessons in love
We never lived in	If we lose
Could be better	The time before us
Should be better	The future (23) (24) us
Lessons in love	(We (25) use it)
If we lose	(We (26) use it)
The (11) before us	
The (12) will (13) us	
We should use it
