

The future will ignore us
We should use it

Fill in the gaps

I'm not proud, I was wrong	We could use it (yeah)
And the truth is (1) to take	Lessons in love
I felt (2) we had enough	Lost without love
But our (3) went overboard	Lessons in love
Lifeboat lies (4) at sea	When will you ever learn
I've been trying to reach your shore	Lessons in love
Waves of doubt keep drowning me	When there's nowhere left to turn
All the dreams	Lessons in love
That we were building	Don't let your spirit burn
We never fulfilled them	Lessons in love
Could be better	I'll wait (6) you return
Should be better	All the dreams
For	That we were building
Lessons in love	(Yeah, yeah, yeah)
For restless eyes	We (7) lived them
Egos burn	We could lose it
And the mould is hard to break	We should use it (for lessons in love)
Now we've waded in too deep	For lessons in love
And love is overboard	All the homes
Heavy hearts, token words	That we were building
All the hopes I ever had	We never lived in
Fade like footprints in the sand	Could be better (could be better)
All the homes	Should be (8) (yeah)
That we were building	Lessons in love
We never lived in	If we lose
Could be better	The time before us
Should be better	The future will ignore us
Lessons in love	(We (9) use it)
If we lose	(We could use it)
The time (5) us
