

Blood stains, ball gowns, trashin' the hotel room

## Fill in the gaps

I've never seen a diamond in the flesh	We don't care
I cut my teeth on (1) rings in the movies	We're driving Cadillacs in our dreams
And I'm not (2) of my address	But everybody's like cristal, maybach
In the torn up town	Diamonds on (15) ten piece
No post code envy	Jet planes, islands, tigers on a (16) leash
But (3) song's (4) gold teeth, grey	We don't care
goose	We aren't caught up in your love affair
Trippin' in the bathroom	And we'll never be royals (royals)
Blood stains, ball gowns, trashin' the hotel room	It doesn't run in our blood
We don't care	That kind of love just ain't for us
We're driving (5) in our dreams	We crave a different kind of buzz
But everybody's like cristal, maybach	Let me be (17) ruler (ruler)
Diamonds on your ten piece	You can (18) me Queen B
Jet planes, islands, tigers on a (6) leash	And baby I'll (19) I'll (20) I'll rule I'll rule
We don't care	Let me live that fantasy
We aren't (7) up in (8) love affair	(Oh oh oh)
And we'll never be royals (royals)	We're bigger than we ever dreamed
It doesn't run in our blood	And I'm in (21) with (22) queen
That kind of (9) just ain't for us	(Oh oh oh)
We crave a different kind of buzz	Life is game (23) a care
Let me be (10) ruler (ruler)	We aren't caught up in your love affair
You can (11) me Queen B	And we'll never be royals (royals)
And baby I'll rule, I'll rule, I'll rule, I'll rule	It doesn't run in our blood
Let me (12) that fantasy	That (24) of love (25) ain't for us
My friends and I we've cracked the code	We crave a different kind of buzz
We count our (13) on the train	Let me be your ruler (ruler)
To the party	You can call me Queen B
And everyone who knows us knows	And baby I'll rule, I'll rule, I'll rule, I'll rule
That we're fine (14) this	Let me live (26) fantasy
We didn't come from money	
But every song's like gold teeth, grey goose	
Trippin' in the bathroom
